WAR SERVICE RECORDS

OTTAWA - CANADA

6 March, 1948.

Sir:

Further to Naval Service Headquarters' letter of the 11th of February, 1948, it is confirmed that Stoker Petty Officer Joseph G. McDermott, V-17569, is missing, presumed dead, body not recovered, to date the 21st of August, 1944. No news has since been received of his survival or of the recovery of his body.

It is pointed out that a man is not officially listed as "presumed dead" by the Naval authorities unless the circumstances were such that his death was virtually certain although there may have been no eyewitnesses to it or his body recovered. A complete investigation was made into all aspects of this tragedy before an official presumption of death was made.

H.M.C.S. "ALBERNI" was engaged on patrol duty in the English Channel on the 21st of August, 1944, when she was torpedoed and sunk by enemy action. There were thirty-one survivors from this mishap.

Attached is a list of the survivors from this ship. As these men have now been discharged from the Canadian Naval Forces their records are under the custody of the Director of War Service Records, Department of Veterans Affairs, #8 Temporary Building, Ottawa, Ontario, and no information as to their addresses are available at Naval Service Headquarters.

Enel.

Yours truly,

10
